

ASBESTOS MANAGEMENT PLAN
ANNUAL NOTICE OF AVAILABILITY

To Staff, Parent/Guardians,

This notice serves to fulfill annual notification requirements in accordance with Section 763.93 of the *Asbestos Emergency Response Act (AHERA)*. AHERA requires that all school buildings be visually inspected by accredited inspectors to identify all asbestos-containing building materials (ACBM) that may be present in the school environment. As required under AHERA, The Emerge School for Autism must maintain an Asbestos Management Plan (AMP) and keep the AMP on file at the school and the School Administrative Office. The AMP is available for review during school hours, Monday through Friday.

Periodic surveillance of known asbestos in The Emerge School for Autism is performed every six months by a designated person to assess the condition of the ACBM. Six-month Assessment Results are maintained and are also available for review in the AMP.

For additional information, please contact Linda Brown at 225-343-4232 Ext. 1905 or email lbrown@emergeschool.org.

Sincerely,

Linda Brown, Principal
